## Frequently Asked Questions

### What is OQUIC?

OQUIC, the Ontario-Quebec Undergraduate Immunology Conference, is an annual showcase of immunological research from undergraduate students of Ontario and Québec. This two-day symposium will consist of competitive research presentations, keynote speakers, networking, and social events.

### Where will OQUIC be held this year?

OQUIC 2017 will be held on May 6<sup>th</sup>-7<sup>th</sup> in room 1230 at the University of Toronto's Bahen Center for Information Technology (40 St George St, Toronto, ON M5S 2E4).

### When will I know my abstract is accepted for OQUIC?

Abstracts are accepted on a rolling-basis. Applicants will be informed of their results within 4 weeks of their submission.

### What is the format of the presentation?

All presentations are to be delivered orally using slides formatted on Microsoft PowerPoint. Each speaker will be allotted 10 minutes for the presentation of his or her findings and then a 5-minute period for ensuing questions and discussion.

### My research is on \_\_\_\_\_; am I eligible to present at OQUIC?

You are encouraged to submit an application to present at OQUIC if you believe your topic will sufficiently contribute to our current understanding of the field of immunology. Our selection committee will review each application on a case-to-case basis.

### Can I be given a travel or accommodations grant if I live within the Greater Toronto Area?

Students travelling from outside the GTA will be given preference for travel and accommodations during OQUIC. Students living within 90 minutes travel from the University of Toronto are dissuaded from requesting the travel grant.
